Week 12: Reflection

Reminder

Please complete your Module Evaluations for Study Block 2 before 6th June!

Portfolio Recap

◦ Week 5: Personal Branding

  ◦ What are the key aspects of yourself you'd like to highlight?
  ◦ What do you have to offer a prospective employer/client?

◦ Week 7: Portfolio Design

  ◦ Main sections: About You, Projects, Contact Info
  ◦ Visual impact and choosing a platform

◦ Week 9: Talking about your Work

  ◦ Telling the story of your development process

Portfolio Recap cont.

- Week 10: Talking about Yourself
  - Beyond your studies/games development…
- Week 11: Presenting Yourself Online
  - Discrimination, the Equality Act 2010 and unconscious bias
  - How much information should you broadcast? What is actually relevant?

Discussion: Reflection on the past year

◦ What topics did you cover in your modules/assignments?

◦ Which skills have you learnt or improved?

◦ What challenges have you overcome?

◦ What have you learnt about yourself?

◦ What have been your main achievements?

What has been the **most useful**?

What would **look good** on your portfolio?

How have these affected your **goals**?

We'll collect thoughts on the Padlet…

Asynchronous Task: Personal reflection

◦ Complete the questions at https://forms.gle/1Jm97b8QfPr32Ug9A to help you reflect on the past year.

  ◦ You should be able to see the responses here after submitting.

◦ Continue developing your portfolio, including any achievements, skills etc. you identified through the reflection.
